

## WELCOME TO THE NEW FOOD SERVICE PROGRAM FOR MISSION PARISH SCHOOL

S & B Foods would like to introduce our full Food Service Program. We are going to be the new food service provider for Mission Parish School and we will be offering complete lunches on a five-day a week basis. S & B lunches are hot, tasty, and nutritious meals that will satisfy your child's taste buds and hunger, along with providing the needed nutrients for strong, healthy bodies. S & B Foods has centered its efforts in meeting the needs of our young generation by implementing a nutritious and well balanced menu. Seeing the serious call for change in *what* and *how* our children eat has trickled its way into our schools. It is our responsibility as food service providers to not only meet but go one step beyond this need. In reaching this goal, S & B Foods has worked closely with nutritionists and has revised its menus, finding the balance between what children *want* to eat and what parents *desire* for their children to eat... a mighty task. **Attached please find the November Menus.** These menus are also available on the website and will be emailed along with the newsletter. Menus will also be available in the office during the initial phase of this program. S & B Foods will have the privilege of using the kitchen at Mission Parish so that we can prepare the meals on site to guarantee freshness.

- S & B Foods will offer a prepaid lunch program for staff and students K through 8th grade. Prepaid lunches are \$4.00 and include a choice of beverage (water, milk, chocolate milk or juice.) Simply fill out the days your child would like to eat and send back the order form through the office with a check made payable to "S & B Foods." You will receive the prepaid menu for the upcoming month ahead of time. For example, you will receive the December menu during the last week of November. **Check due dates in order to avoid late fees.**
- An additional ala carte menu has items for cash sale during lunch and is available to **staff and grades 5<sup>th</sup> - 8<sup>th</sup> only**. An ala carte menu is enclosed listing items available for cash sale. Please encourage your children to become familiar with these items available for purchase. **For children who prefer a "vegetarian" menu, please notify the Operator so their needs can be met.**
- Emergency lunches are also available for \$5.00. If your child forgot his/her lunch, a student can either bring \$5.00 to the lunch window on any given day, or fill out an Emergency Lunch slip and the student will be served a "pre-ordered meal." ***If a slip is filled out, we ask that your child bring the money the following day.***
- When calling in an absence, please contact the Operator on the order form no later than 9:00 a.m. and ***leave the name of your school, your child's full name and grade level.*** Please understand that your child's credit will be applied to your next month's lunch order. It cannot be applied to the next day or week.

S & B Foods is truly blessed by being incorporated into the Mission Parish School family and takes pride in serving your children.
